TWO ROOKIES HURT IN TRAINING BATTLE

Lieuts. Kelloch and Sutherland, Disabled, Sent to Plattsburg Hospital.

HARVEST FOR FARMERS comparable links at Gedney Farm.

PLATTSBURG, June 28 .- After being driven from their tents at the camp at Gedney Farm Hotel Sciota last night by the rain, which carried away tents in several of the company streets, fifty members of the training regiment were forced to seek shelter in the homes and barns of the farmers in the vicinity. And the plight of the student soldiers was used by the farmers to their own advantage.

When a member of the regiment applied for shelter he was told that sleeping space on the floor on a pile of straw would cost half a dollar. All of the houses were soon filled with the men of the regiment and then the barns were soon filled, and at the same price. Camp was broken at 7:30 this morning and the march to Mooers, where the next camp was to be located, wa

Empire Red Rubber Has Proved Itself Better Tire Material

We "discovered" red rubber as a tougher tire material. We made the first red tire. It beat our own gray tires all hollow for bounce and stamina. Now we manufacture only Empire Reds and despite the rising price of rubber, Empire prices are practically the same as last year.

Empire Red Rubber stays cool under terrific friction tests. It is all new, fresh rubber and will not depreciate prematurely. All of this adds to the phenomenal mileage Empire Reds roll up.
